

# Rooms Covid-19 Procedure

We want you to feel as relaxed as possible in our pub. Safety has always been important to us, and now even more so than ever. There are several new ways we have adjusted to maintain both yours and our team's health whilst you stay with us, ensuring we comply with Government guidelines.

All high-touch areas will be disinfected in your room in-between stays, including:

Light Switches

Bin Lids

Bedside Tables

Remote Controls

Coat Hangers

Taps

Flush Handles and Toilet Seats

Door Handles Inside and Out

Hair Dryer Handles

Iron and Iron Board

Safes

Bath Mats

Wardrobe Doors

Curtain Pulls

Soap and Hand Cream Dispensers

Any crockery or cutlery will be washed using a dishwasher, and all keys will be cleaned between stays. There will also be hand sanitiser in communal areas, and near all handrails. Team and guests are required to wear masks when in the pub, and not at a table - should you require a face mask, we will have disposable ones available upon request. All our rates have been adjusted to allow flexibility, and we now operate a 24 hours cancellation notice (excluding our non-refundable rate).

Should you just need a getaway for the night, but not the full restaurant experience we now offer takeaway, so you can still enjoy our pub menu in your room.

We have a smaller range of tea and coffee in our rooms, but please do ask in the pub for our full range if there's something in particular you'd like. You are also welcome to collect more towels, glassware or anything you may have forgotten too - just ask us.

If you are staying for multiple nights - just let us know if you would like your room serviced, we will not disturb you unless you wish us too.

Enjoy your stay.
